

MAKO PLASTICS SCREW TOP PAILS

Designed with your safety and convenience in mind

MAKO'S PAILS EXCEL WHERE TRADITIONAL CONTAINERS FALL SHORT. WITH A UNIQUE SCREW-TOP LID AND SECURE GREEN LOCKING MECHANISM, THESE PAILS ARE ENGINEERED TO MAINTAIN THE INTEGRITY OF YOUR PRODUCT INSIDE, WHILE OFFERING AN EASY USER EXPERIENCE.

SCREW TOP PAIL AND HANDLE FOR YOUR CONVIENCE

it's a solution designed to address your biggest pain points, that comes in 5 gal, 6 gal or other configurations available.

ISO 9001:2015 CERTIFIED

Our Pails are designed with quality at top of mind, which is why we are certified to the highest standard.

SCREW-TOP LID

Opens and closes like a jar, providing intuitive handling.

TAMPER-EVIDENT LOCKING MECHANISM

A green lock that can be semi-permanently sealed, or fully locked for a permanent seal.

UN CERTIFICATION

Certified for all solids.
